Did you know?

- Did you notice we planted different flowers this year by the entrances? We are always looking for ways to beautify the common areas cost-effectively. If you have ideas, let us know!
- Earlier this year, we replaced two stop sign posts to match the other ones in the neighborhood. We are currently working with a sign company and painter to get frames installed and backs of signs painted.

Reminders:

- Clear the gutters of leaves and debris to prevent drainage issues.
- Only For Sale signs and political signs are permitted in Chapel Creek. Be aware that political signs are only permitted 30 days before and 5 days after an election, per state law.

Thank you for...

- Obeying the 20 mph speed limit in the subdivision.
- Following our parking regulations.
